

RACING BENCH

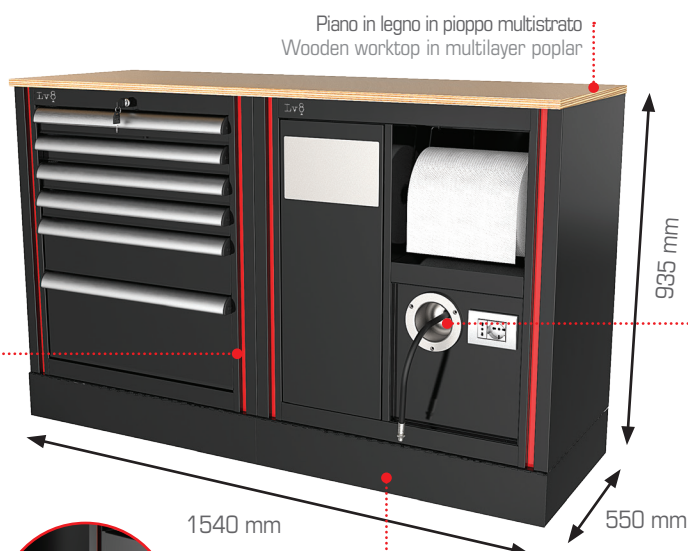

Il banco Racing, 100% made in LV8®, è dedicato alla preparazione dei veicoli racing e ideale per le manutenzioni all'interno di ambienti ristretti come i paddock. Il banco è composto da 2 moduli su ruote e una solida piana in legno multistrato. La facilità di movimentazione e lo smontaggio rapido agevolano gli operatori nelle frequenti operazioni di carico e scarico furgone-paddock.

The Racing bench, 100% Made in LV8®, is dedicated to the preparation of racing vehicles and perfect for the maintenance in small spaces such as paddocks. The bench is composed by 2 cabinets on wheels and a solid plywood worktop. The ease of handling and the rapid disassembly simplify the workers in the frequent operation of loading and unloading the paddock-truck.
