## SILKOLENE CARNAUBA WAX POLISH

Premium, high gloss polish.

### Description

SILKOLENE CARNAUBA WAX POLISH is a premium high gloss polish for all motorcycles with a gloss paint finish. SILKOLENE CARNAUBA WAX POLISH is formulated for easy application and to leave a lasting wax protection with high shine. Removes light dirt and traffic film. Can also be used on cars and boats.

### Application

Shake can well before application. Shake bottle well before application. Apply SILKOLENE CARNAUBA WAX POLISH with a soft cloth and use circular motion to apply a thin layer. Allow to dry before using a clean cloth to polish to a deep shine. Do not use in direct sunlight or pour polish directly onto paint work. Avoid rubber and black plastic trim.

### Advantages

- Long lasting deep gloss.
- Effective and suitable for new and used machines
- Can be applied in damp conditions.
- No residual dust or streaks.

## Notes

The information contained in this product information is based on the experience and know-how of FUCHS LUBRICANTS (UK) plc in the development and manufacturing of lubricants and represents the current state-of-the-art. The performance of our products can be influenced by a series of factors, especially the specific use, the method of application, the operational environment, component pre-treatment, possible external contamination, etc. For this reason, universally valid statements about the function of our products are not possible.

Our products must not be used in aircraft or spacecraft. Our products may be used in manufacture of components for aircraft or spacecraft if they are removed without residue from the components prior to assembly into the aircraft or spacecraft.

The information given in this product information represents general, non-binding guidelines. No warranty expressed or implied is given concerning the properties of the product or its suitability for any given application. We therefore recommend that you consult a FUCHS LUBRICANTS (UK) plc application engineer to discuss application conditions and the performance criteria of the products before the product is used. It is the responsibility of the user to test the functional suitability of the product and to use it with the corresponding care.

Our products undergo continuous improvement. We therefore retain the right to change our product program, the products, and their manufacturing processes as well as all details of our product information sheets at any time and without warning, unless otherwise provided in customer-specific agreements. With the publication of this product information, all previous editions cease to be valid. Any form of reproduction requires express prior written permission from FUCHS LUBRICANTS (UK) plc.
