SHAD

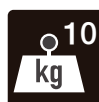

ENGINEERED FOR RIDING

ALUMINIUM

X30 Y49 Z38(cm)

PATENTED

SH35

Aluminium cover	The ideal set for the eXpandable SH59X top case
Aerodynamic design	Increased safety and stability of the bike
Structural frame	Provides better sealing, stiffness and lightness
Internal tray	Helps hold the load
Capacity	Great volume. Able to house a Jet helmet
Extra lock	One single key for the whole cases set
Inner bag	Optional accessory to carry the load with greater comfort

3P SYSTEM

Integrated design	Totally integrated to the motorcycle profile
Light	It hardly changes the center of gravity of the bike, hence improving safety
Patented	For its exclusivity and innovation
Easy to mount	Suitcase with only 3 anchor points
